AKRON TAX RETURN FOR INDIVIDUALS - 2014 FORM IR INSTRUCTIONS

The Akron Income Tax Division is located at 1 Cascade Plaza – 11th Floor, Akron, Ohio 44308. 330-375-2290 Forms, instructions, tax FAQs, and a list of taxable & non-taxable income is available **on-line** at www.AkronOhio.gov/1040. If you have any questions concerning this form or other municipal income tax matters, please call 330-375-2290 for assistance.

Most individual and joint filers can E-File their Akron tax returns if their city taxable income is limited to Form W-2 and/or Form 1099-MISC (without Schedule C).

Be sure to check it out and join the growing number of Akron E-Filers.

GENERAL INSTRUCTIONS FOR FORM IR

WHO MUST FILE THIS FORM: If your only source of income is from wages, you must file Akron's Form IR, the tax return for individuals and joint filers. Also, if you file federal Form 1040 and report business income from self employment, rental or farm activity using Schedules C, E or F, you must file Form IR.

WHEN TO FILE: File no later than APRIL 15, 2015.

MINIMUM INCOME CREDIT: If your gross income for 2014 was \$600 or less, complete lines 1 through 14 on Form IR. Do not calculate any figure on Line 15. Next, take the amount showing on Line 9 (Akron Income tax withheld by employers) and enter it directly on Line 18. Be sure to attach all of your W-2s to substantiate your eligibility for this credit. Check the box for refund on the form and envelope and mail your tax return in by the due date.

<u>SIGNATURES</u>: A tax return is not considered to be "filed" within the meaning of the law, until it is signed by the taxpayer or an agent legally authorized to sign it. Also, if the tax return is prepared by someone other than the taxpayer, this person must sign and date the return, along with the preparer's phone, address, and Social Security Number or Federal EIN.

EXEMPTION FROM FILING: If you are under the age of 18 (as of December 31, 2014) or qualify under other circumstances, you may be exempt from filing Akron Income Tax Returns. If you are retired (living solely on pension, annuities, Social Security, interest or dividends), you may also be exempt. However, subsequent earnings

of taxable income voids an exemption certificate. An Exemption Certificate is enclosed with these instructions.

EXTENSIONS: DO NOT SEND A COPY OF YOUR FEDERAL EXTENSION TO US FOR PRIOR APPROVAL.

An extension with the City of Akron is conditionally approved as long as (1) your account is not delinquent in any manner (including unfiled tax returns), and (2) a copy of your Federal Extension is attached to Form IR when it is filed. The extended due date is the last day of the month following the extension month approved by the IRS. This applies only to the filing of the return, not the payment of the tax. Normal interest will be charged on tax payments received after the **original** due date. Conditions (1) and (2) above must both be met to avoid penalty charges.

Even if you are unable to pay your taxes owed when they are due, you should file your return timely to avoid Failure-to-file charges of \$50.00 to \$100.00.

DECLARATION OF ESTIMATED INCOME TAX: If you expect to owe more than \$120 in income tax to the City of Akron by the end of the year, you are required to file Form D-1 (Declaration of Estimated Income Tax). Form D-1 (also called VOUCHER 1) and one fourth of your estimated tax must be filed and paid by April 30th, followed by 3 equal quarterly payments on VOUCHERs 2 thru 4. Your estimated payments must equal at least 100% of the prior year's tax liability or 90% of your tax liability for the current year in order to avoid penalty and interest, charges. If you did not receive these forms by January 20 you can download a set from our web site or by calling us at 330-375-2290.

WORKSHEET INSTRUCTIONS FOR FORM IR

WORKSHEET A: W-2 & 1099-MISC (Taxable Wages)

Complete WORKSHEET A with employment "from and to" dates, employer name, and locality where you worked. Next, using your W-2s complete Columns 1, 2 and 3. For the Gross Income figure enter the largest number on your W-2 into Column 1. For most filers the Local Wage figure in Box 18 of their W-2 will equal the Medicare Wage reported in Box 5. Separate the taxes withheld for Akron and for other cities or JEDDs (not to exceed 2.25% of income). If you received a 1099-MISC that is not reflected in schedule income in WORKSHEET B, or if you had Lottery winnings or supplemental unemployment payments (SUB-PAY) from a company or union plan, these must be listed in WORKSHEET A. DO NOT INCLUDE 1099s FOR INTEREST, DIVIDENDS, ONGOING RETIREMENT PENSION PAYMENTS OR PAYMENTS FOR LONG TERM DISABILITY. Enter totals in Boxes 1, 2 and 3, and move results to Page 1, Lines 1, 9 and 10 respectively.

WORKSHEET B: BUSINESS NET PROFIT CALCULATION (Attach copies of Federal Tax Return & Schedules, front & back)

WORKSHEET B must be used by individuals who have self-employment (Schedule C) or rental (Schedule E) income, to arrive at the proper profit or loss figures as required by Akron's Income Tax Ordinance. When there is a loss to be reported on WORKSHEET B place the number in brackets to denote a negative figure. (NOTE: Filers with Schedule F, or farm income, must also complete this worksheet.)

<u>FOR AKRON RESIDENTS</u>: Akron residents must complete WORKSHEET SE (see instructions below) to arrive at self-employment or rental income that is taxable to Akron. WORKSHEET K must be completed by Akron residents who have distributive shares from a Partnership or Ohio S Corporation. <u>Losses claimed from a business or distributive shares cannot be used to offset wage income.</u>

<u>FOR NON-AKRON RESIDENTS</u>: If the business activity of a non-Akron resident is both inside and outside the City of Akron, WORKSHEET C, the Business Allocation 3-factor formula, must be used. Next, complete Lines 2, 3 & 4 of WORKSHEET B using the results of the other applicable worksheets.

- Line 1. (Akron Residents Only) Add the results from WORKSHEETS SE & K. This is the non-wage income that is taxable to Akron.
- Line 2. (Non-Akron Residents Only) Enter the total of all Schedule income that is allocated 100% to Akron.
- Line 3. (Non-Akron Residents Only) If there is income allocated at less than 100%, enter the number found in WORKSHEET C, Line 6.
- Line 4. (All filers) If business or rental property was sold or exchanged, you must calculate the 4797 "Recovery of Depreciation." Even if you are not required to file a federal 4797 due to a 1031 Like-Kind Exchange, you must calculate and complete a "city-only" 4797. Net profits include any value received in a sale or exchange, in excess of book value to the extent of depreciation taken.
- Line 5. Akron Residents add Lines 1 & 4. Non-Akron Residents add Lines 2, 3 & 4.
 - If Line 5 is equal to or greater than zero, enter it on Page 1, Line 4.

CARDHOLDER SIGNATURE

If Line 5 is less than zero, enter it in the 4th column in WORKSHEET F and enter a zero on Page 1. Line 4.

WORKSHEET C: BUSINESS ALLOCATION 3 - FACTOR FORMULA (TO BE USED ONLY BY NON-AKRON RESIDENTS)

Non-Akron residents who have businesses or rental properties that derive income from locations both inside and outside the corporate boundaries of Akron, must allocate their total net income (or loss) as to the portion attributable to Akron and to the portion attributable elsewhere. WORKSHEET C must be used to arrive at these numbers. Note: To obtain the correct average you must divide the total of the percentages by the number of percentages used.

WORKSHEET SE: SELF-EMPLOYMENT & RENTAL INCOME CALCULATOR (TO BE USED ONLY BY AKRON RESIDENTS)

Complete the rows of the Worksheet as follows: $\bf A$ – the letter of the federal Schedule being reported, $\bf B$ – the amount reported for each separate taxing jurisdiction, including Akron, $\bf C$ – the name of the City or JEDD, $\bf D$ – the tax rate of that City or JEDD, $\bf E$ – the rate in column D subtracted from 2.25, $\bf F$ – find the taxable percentage by dividing column E by 2.25 and multiplying by 100 to show as a percentage, $\bf G$ – multiply this percentage by column B. This is the income that is taxable to Akron for each business or rental activity. Total column G. This figure will be added to any WORKSHEET K income and entered on Line 1 of WORKSHEET B.

WORKSHEET E: 2106 BUSINESS EXPENSE DEDUCTIONS (ONLY VALID IF YOU ALSO FILED FORM 2106 ON YOUR FEDERAL RETURN)

The allowable deduction must be reduced by the federal 2% adjustment as reported on federal Schedule A. To receive this deduction you must attach a copy of pages 1 & 2 of your federal Form 1040, Schedule A and Form 2106. The Income Tax Division reserves the right to make adjustments to deductions which should have been more appropriately included in another part of the federal return and to require supporting documentation. Credit for taxes withheld or paid to other cities must be reduced. You are not permitted to file a "city only" Form 2106.

WORKSHEET F: LOSS CARRYFORWARD CALCULATION (THERE IS A 3-YEAR LIMIT FOR AKRON TAX RETURNS)

If you have unused, qualified, loss carryforward amounts from tax years 2011, 2012 or 2013, enter these in the first row of WORKSHEET F. If you wish to use all or a portion of these loss carryforward amounts against a profit in 2014, write the amount being used from each prior year, up to the total being used, and enter the result on Page 1, Line 5 of this return. The loss carryforward cannot exceed this year's gain.
